

## 'Castle on the Hill' by Ed Sheeran

Try to predict which of the bold words you will hear. Then when you listen, see if you were correct. Circle the correct word.

When I was **six / seven** years old I broke my **arm / leg**  
I was **chasing / running** from my **brother / sister** and **his / her** friends  
And **tasted / smelled** the **strange / sweet** perfume of the mountain grass I rolled down  
I was younger **then, / when,** take me back to **then / when** I

**Lost / Found** my heart and broke it **here / there**  
**Made / Make** friends and **lose / lost** them **down / through** the years  
And I've not seen the **roaring / rolling** fields in so long, I know I've **gone / grown**  
But I **can't wait / want** to go home

### Chorus

I'm on my way  
Driving at **80 / 90** (mph) down **these / those** country roads / lanes  
Singing to "Tiny Dancer"  
And I miss **the way / how** you make me feel, and it's real  
We **loved / watched** the **sunset / sunrise** over the castle on the hill

**Fourteen / Fifteen** years old and smoking hand-rolled cigarettes  
Running from the **police / law** through the **streets / backfields** and getting drunk with my friends  
Had my first **fight / kiss** on a **Friday / Saturday** night, I don't **reckon / think** that I did it right  
I was younger then, take me back to when

We found **weekend / part-time** jobs, when we got paid  
We'd buy cheap **booze / spirits** and drink them straight  
**My friends / Me** and **my friends / me** have not **thrown up / done that** in so long, oh how we've grown  
But I **can't wait / want** to go home

### Repeat Chorus

One friend left to sell e.g. \_\_\_\_\_  
One works down by the 2. \_\_\_\_\_  
One had 3. \_\_\_\_\_ but lives alone  
One's brother 4. \_\_\_\_\_
